The Club was officially registered with the Registry of Society on ..... He mentioned that over the last year the Club organized a number of good runs.

On why he wanted to start a Thursday Hash, it was because he found out that running once a week is insufficient as most of them were drinking practically everyday of the week. The whole idea was mooted by a very good friend of his and also a very experience Hash man, Brother Andrew(aka Andrew Cheng, ex Seletar HHH). So from then onwards, he worked on the formation of the club. Today we have about 28 active members and at one time the membership was 32. Hopefully with the coming years, the club can grow bigger and better.

Next he expressed his gratitude to the owner of the Pub, Colin Chan and Sophie, for so generously provide the whole Pub for our AGM and Dinner & Dance.

He also likes to extend his appreciation to all members of the Last Committee, Tan Lee Hua (Spiker), Lena Lee (Agar Agar) and Ricky Ng (Sleeping Dick). Thanks also go to Derek Ang Thiam (Aqua) and Ah Bee for their voluntary contribution to the Club.

The President then requested for the floor to field any question pertaining to the club's activities. Johnny Chan asked the name of the Insurance Company that provides the insurance coverage for the Club. The name of the company is AXA. The terms and conditions were identical with that of Seletar HHH.

Next on the Agenda was the presentation of the Audited Account for Year 2004. The account was audited by the Honorable Auditor, Robert Tan (Deep Hole) and

Patricia Lee. There was no question being raised by the floor and the account was unanimously passed. The proposer was Colin Chan and seconder was William Chin.

The meeting was then hand over to the Returning Officer, Andrew Cheng (Brother Andrew), for the election of the New Committee (2005). The nomination posted was as follows:
